DATA CENTER ACCESS AND SECURITY POLICY (“DCASP”)

THIS AGREEMENT is made on this ____ day of _____, 200__, between <<CustCompany>> (hereafter referred to as “Customer”) and <<Company>> (hereafter referred to as “Company”).

The purpose of this policy is to set forth a Data Center Access and Security Policy (“DCASP” or “Access Policy”) by which Customer will abide while using, renting, leasing, or otherwise making use of Company facilities, goods, and services (“Data Center or Contracted Spaces”). By using Company’s Data Center and facilities, Customer agrees to comply with the following policies and assume responsibility for the compliance of all policies by Customer and Customer’s Agents.

Terms and Conditions

As a service, the standard Data Center Access and Security Policy is provided below.

1. Company and Customer Responsibility.

Company is responsible for ensuring that the security of all resources under its control remains physically secure. The Company maintains this access policy in order to provide a framework for Customers to follow for physical security and access to Company facilities and to instruct Customers on the procedures and policies that Company staff and technicians follow. Customer agrees to adhere to all posted notices or changes to protocol that the Company makes the Customer aware of during its visits to Company facilities.

2. Data Center “Habits and Hygiene.”

Access into Company facilities requires adherence to the following protocols and restrictions on dangerous materials (“dangerous materials”):

- No smoking or chewing tobacco is allowed.
- No combustible materials may be brought into the data center, including lighters, hand-warmers, mace, tear gas, aerosol cans or compressed air.
- No eating or drinking is allowed in the data center.
- No drugs or alcohol are permitted in the data center.
- No weapons or firearms are allowed in the data center.
- No external fire suppression devices are allowed.
- No prohibited hardware allowed << Insert descriptions into your Contract rather than a blanket statement here. >>
