<<COMPANY>> SOFTWARE INSTALLATION AGREEMENT – OPEN SOURCE

THIS AGREEMENT is made this <<CurrentDay>> day of <<CurrentMonth>>, <<CurrentYear>>, by and between <<CustCompany>> (hereafter referred to as “Customer”) and <<Company>> (hereafter referred to as “Company”).

The purpose of this Software Installation Agreement is to set forth a contract arrangement under which Company will provide a fully licensed copy of << Insert software application or suite name >> (“The Software Project”) and Installation Services for a single << Insert desktop, network, target domain or web server >> for Customer.

Agreements

In consideration of the mutual covenants set forth in this Agreement, Customer and Company hereby agree as follows:

1. Installation of the Software Project.

Customer agrees to compensate Company according to the terms listed on Exhibit A attached hereto.

2. Specifications.

Company agrees to develop the Software Project pursuant to the specifications set forth in Exhibit B attached hereto (the “Specifications”).

3. Delivery of Software Project.

Company will use reasonable diligence in the development of the Software Project and endeavor to deliver to Customer operational Software Project files as soon as possible. Customer acknowledges, however, that this delivery deadline and the other payment milestones listed in Exhibit A are estimates, and are not required delivery dates. Company will make every effort to advise Customer of any delays in advance and seek Customer feedback in regard to the proposed timeline as the development process progresses.

4. License and Ownership Rights.

Company grants Customer a world-wide, non-exclusive right to use, in whole or in part, the Software Project on a single web site domain or server. No additional compensation or license fees shall be required of Customer after the installation is complete. Company shall retain ...
